SCHOOL REPORT.

There has been 31 weeks' schooling. There were seven schools open during the Spring term. Commencing the school year, it was deemed expedient to close the Kelsey School, there being but four scholars, and transfer them to the Centre. The closing of this school, together with several new pupils in other schools, who lived such a distance that they had to be carried, made the bill for transportation much larger than in former years.

We have introduced in all the schools Walton & Holmes' arithmetics, Baldwin & Bender's readers, and Conn's Physiology, also a new system of penmanship. From the Van Dame fund we have procured a new dictionary and stand for the Centre School.

We have shingled the buildings and built a toilet at the Haines; shingled the walls of the Mountain School; put in a new sill at the Independent; also put locks on all outbuildings in the district.

The attendance has been particularly good, as the Roll of Honor will show.

ROLL OF HONOR

Not absent for the year.—Ruth Tuttle, Doris Tuttle, Gwendolyn Dame, Hattie Corson, Vena Corson, Hazel Watson, Reginald Tuttle, Kenneth Tuttle, Gordon Tuttle.
